FASHION TRENDS FOR WALLS

WALLS *in* VOGUE

INTRODUCING

• Spring Pattern • Bloom Pattern • Fringe Pattern

Now let your walls
wear your
style

Your style is unique, distinct and exclusive; talking aloud about your personality. It's your way of saying a thousand words without saying anything at all. So when it comes to your walls, let them be a reflection of you. The Dulux Velvet Touch range exemplifies your personality with the same rich and opulent textures that define you. It's like a timeless ode to yourself.

Farah Akhtar

Artistic

Creative, artistic, inventive, you've been called that before. When art is all you see around, let your walls be a part of it. With the artsy shades of **Fringe**, **Bloom** and **Glide** you can flaunt your creative style on your walls.

Bold

When it comes to making a statement, you like it to be loud and bold, why be shy when you can show the world who you are. The bold shades of **Frames** and **Ripples** highlights the brazen you. So go ahead, make a bold statement.

Disclaimer: The colour gradient in the picture is achieved using special lights, please refer to the Dulux Fandec for exact shade references. We have reproduced paint colours as faithfully as printing will allow. However, the shape, size and lighting of a surface can influence the appearance of the final colour.

Frames

For those who admire a structured life yet always aspire for freedom this style is for you. Bring that beautiful patterned irregularity to your walls with Frames Pattern.

How to achieve this look

- Use Dulux VT Pearl Glo as Base Coat tinted in desired colour
- Use Dulux VT Trends/Trends Glitter Top Coat tinted in the desired colour
- Use a Frames or Bagging Roller to measure the length of first square
- Move the roller in down, right down and right manner to make 4 squares. Length of each square should be equal to length of the roller
- Fill the wall with such squares to complete the design

Frames Roller
